

R-Rated Movie Permission Slip

During the course of my class, we will be showing movies as learning tools. Some of the movies we will be showing will be R-rated, although they will be appropriate and relevant to the learning process.

All movies shown will have a follow-up assignment and a discussion.

To the Parents/Guardians of Students European History Advanced Placement 2013-14:

Students in all AP (Advanced Placement) classes are required to maintain a higher academic standard and to pursue more rigorous course work. Students enrolled in AP European History are required to read this contract carefully and to return this form to their AP teacher.

The purpose of the College Board Advanced Placement Program is to prepare students for college and/or for AP exams that give them the opportunity to obtain college credit in high school. The AP class prepares students for AP Exam May 14th 2014, the class is taught with college curricula and college-level materials. AP courses include content immersion, a fast pace, and performance assessed at the analytical and synthesis levels. Typically successful AP students should be task-oriented, proficient readers, writers and thinkers who are able to prioritize their time. Parental support plays a key role in the success of these students.

Late work in any AP class will **NOT** be accepted. **If students leave school for activities (ASB) or field trips and an assignment is due that day, it is the student's responsibility to turn in the assignment either to the teachers or to the office on the due date.** Students must also contact the teachers to determine the assignments for the following day, and they must turn them in on the due date.

I, ask parents, to carefully review the contents of this letter and the Online Syllabus (available at: <http://tinyurl.com/nycnrag>) and make their child aware that a more rigorous standard must be maintained in order to remain in this AP class. Please sign below if you and your child agree to meet or exceed the requirements for placement in the European History AP program.

Sincerely,
Mrs. S.Y.Hatchell
